

Student Records Alumni Course Audit Approval

Return this form with required signatures to the Student Record's Office.

Alumni may audit an NU-Q course subject to the criteria listed in the NU-Q Alumni Course Auditing Policy and after submitting a completed Course Audit Approval form to Student Records and payment of an auditing fee collected through Financial Affairs.

Auditing is not listed on an NU-Q transcript and does not result in the award of credit. Auditors are not prohibited from future for-credit enrollment in a previously audited course. Auditors are welcome to observe and to listen. They are expected to refrain, however, from taking part in in-class discussions. Additionally, while auditors will find that they get the most out of the experience if they have stayed current with class reading assignments, faculty will not accept assignments or grade assignments and cannot provide the kinds of critique and mentoring reserved for regularly enrolled students.
